

Dark Sky Above

Free Stargazing event

17th March

Meet at the Old School, Glentool DG8 6SY at 7pm
We will set off from there to stargaze nearby in the
Galloway Forest Dark Sky Park

At the heart of the Galloway Forest Dark Sky Park Glentool is a wonderful place to experience the dark and see the stars. You will have Elizabeth Tindal, Biosphere Dark Sky Ranger to explain about the stars and constellations you will see above you and to help you explore what the dark means to you.

This event is funded by British Science Week and is free to everyone.
Alternative activities will be available, if it is cloudy or wet
